Practical Aspects of Molecular Diagnostics Applied to Women’s Health

sponsored by Roche

Tuesday, April 15, 2003
17:30-19:00
EUROGIN 2003
Cité des Sciences et de l’Industrie
Paris, France

• Liquid cytology and molecular diagnostics applications
• The Roche HPV program: from science to practice
• Future molecular applications in women’s health

Faculty:
J. Kornegay (USA)
K.U. Petry (Germany)
and others tbd

RSVP by April 8 to EuroginRoche@hcdi.net
