

Roche

SATELLITE SYMPOSIA

## Practical Aspects of Molecular Diagnostics Applied to Women's Health

sponsored by Roche

Tuesday, April 15, 2003

17:30-19:00

EUROGIN 2003

Cité des Sciences et de l'Industrie  
Paris, France

- Liquid cytology and molecular diagnostics applications
- The Roche HPV program: from science to practice
- Future molecular applications in women's health

**Faculty:**

J. Kornegay (USA)

K.U. Petry (Germany)

and others tbd

Paris

RSVP by April 8 to [EuroginRoche@hcdi.net](mailto:EuroginRoche@hcdi.net)
